Hello Shipra Navin Dhote,

You have booked an appointment in Riga on 20.10.2022 at 09:40 to apply for a national visa (**except** Vander Elst and Working Holiday Visa).

Please check your details:

Passport Number: U8264354  
Date of Birth: 29.10.1990

**Are you fully prepared for a successful application? You must submit your application in full at the appointment. Please bring the application form with passport photos, your passport, suitable documents and be prepared to pay the applicable fee. Please consult our [website](#) for further details.**

To prevent abuse of our booking system we compare your information with your passport upon entering the consular section. If they don't match, you cannot keep your appointment.

You found a typing error? Please send us an e-mail to [visa@riga.diplo.de](mailto:visa@riga.diplo.de) with the correct data.

Unfortunately, the Embassy cannot accept any applications for which appointments were booked in the incorrect category.

Please bring a printout of this mail to your appointment.

**Please be absolutely on time for your appointment.**

If you cannot keep your appointment, please cancel it [here](#). This will help us to plan and coordinate appointments. **Persons who **don't** appear to the booked appointment **will not be able to book a new appointment within 4 weeks.****

Kind regards,

German Embassy Riga
